

## Allen Bradley 1746 SLC I/O Digital Modules

---

Our Bulletin 1746 SLC™ I/O Modules are part of our SLC 500 control platform. Rockwell Automation announces that a number of Bulletin 1746 I/O modules are discontinued and no longer available for sale. Customers are encouraged to migrate to our Compact 5000™ I/O modules used with the Logix control platform.

### Installs in an SLC™ 500 chassis

Connects up to three chassis with 30 I/O modules to a single controller or communication adapter

Includes optical coupling and filter circuitry which provides signal noise reduction

Some modules include color-coded, removable terminal blocks

The following small logic controllers and input/output modules are discontinued and no longer available for sale:

1747-L531

1746-IA8

1746-IB8

1746-IN16

1746-IO12DC

1746-OB8

1746-C7

1747-DU501

1747-C11

Rockwell Automation announces that a number of Bulletin 1746 I/O modules are discontinued and no longer available for sale. Customers are encouraged to migrate to our Compact 5000™ I/O modules used with the Logix control platform.
